

SCOPE OF PRACTICE

HLT51020 DIPLOMA OF EMERGENCY HEALTH CARE

The following table shows the scope of practice linked to the program studied. Note that employers define their own scope of practice and determine what qualifications are needed for their employees, however as a guide, Diploma graduates would usually be employed in one of the following roles:

- ATA - Ambulance Transport Attendant
- EMT - Emergency Medical Technician (EMT-A for Advanced Life Support practice)
- ESO - Emergency Services Officer
- Or any other non-registered emergency medical response provider working at an Advanced Life Support level

Legend:

Theory = Taught in online theory

Workshop = Assessed practically in face-to-face scenario during workshops
