

WORKSHOP DRESS CODE

Purchase of non-tuition items:

APC Clinical Workshop and Placement - Uniform requirements

Students who choose to study APC's HLT51020 - Diploma of Emergency Health Care, HLT41120 - Certificate IV in Health Care and/or HLT31120 - Certificate III in Non-Emergency Patient Transport will be required to present themselves during/on Clinical Workshop and/or Placement in a professional and well-presented way.

Please note that the below-listed items are not included in tuition fees, and are an out-of-pocket expense for students to purchase before their Clinical Workshop attendance (approximately 12 months into a course). APC students will be provided with an APC polo on their first day of the Clinical Workshop to wear throughout the week, and placement. Additional requirements for placement (such as a note pad etc. may be required, and also out-of-pocket for the student.
